Education

Stuyvesant High School
Sep. 2013 – Jun. 2017

Senior

Stuyvesant High School is one of New York's top ranking schools, and offers one of the country's most innovative computer science programs for high schoolers.

Work Experience

Stuyvesant Computer Science Dojo
2015 - Present

Senpai (Teacher + Second in Command)

The CS Dojo is a student run program to help underclassmen in computer science – I teach Scheme, Python, Java, and C.

Stuyvesant Student Union
2016 - Present

Web Developer

I create websites for my school's Student Union, using Flask, HTML/CSS, Javascript, mongoDB, and SQL.

Projects

Concert.io

github.com/eccentricayman/schweak

A Flask-based web application that gives you the top songs for artists performing at concerts.

Koopa Shell

github.com/eccentricayman/koopa

A basic shell completely written in C.

The Daily Greez

thedailygreez.github.io

A website I made to provide live journalism on a mock election held in my AP Gov. class.
